Welcome to Germany, welcome to Wuppertal!

Germany is a social and democratic European country known for its rich history, strong economy, and high quality of life. It is divided into 16 states (Bundesland) with a capital in Berlin. Germany is famous for its beautiful castles, forests, modern cities, and cultural traditions. It is also one of the world's leading industrial and technological nations, home to many well-known global companies. Being the most populous country member of the European Union, Germany plays an important role in European politics, business, and culture.

Stereotypes about Germany

> Click me <

Wuppertal is a city in the state of North Rhine-Westphalia on Germany's west. It is world-famous for its suspension monorail (Schwebebahn), which celebrated its 125th anniversary in March 2026. Being surrounded by green hills and parks, Wuppertal was recognized as the greenest European city in 2025 (HUGSI.green Ranking). The perfect location in the heart of the Europe's biggest urban agglomeration of Rhein-Ruhr allows residents of Wuppertal to quickly reach the major cities as Düsseldorf, Cologne, Essen, Dortmund, Bonn and others. Wuppertal was founded in 1929 by the merger of 5 ancient cities; its name literally means "the valley of Wupper river". City is known centre of education, culture, and industry, being the hometown of the one of the largest pharmaceutical companies in the world - Bayer AG, as well as the place of the huge BarmeniaGothaer Insurance company and famous Pina Bausch Dance Theatre.

The Deutschlandsemesterticket is included into your semester fee. With this ticket you can travel throughout WHOLE Germany, by all means of transport except long-distance trains (ICE, IC, EC, FlixTrain). The ticket is provided in the email upon enrollment by the download link. Please, note, that you cannot use the semester ticket as a print version. Therefore, please, use the Uni Wuppertal App and/or the Apple/Android wallet apps.

More details about the Deutschlandsemesterticket here:

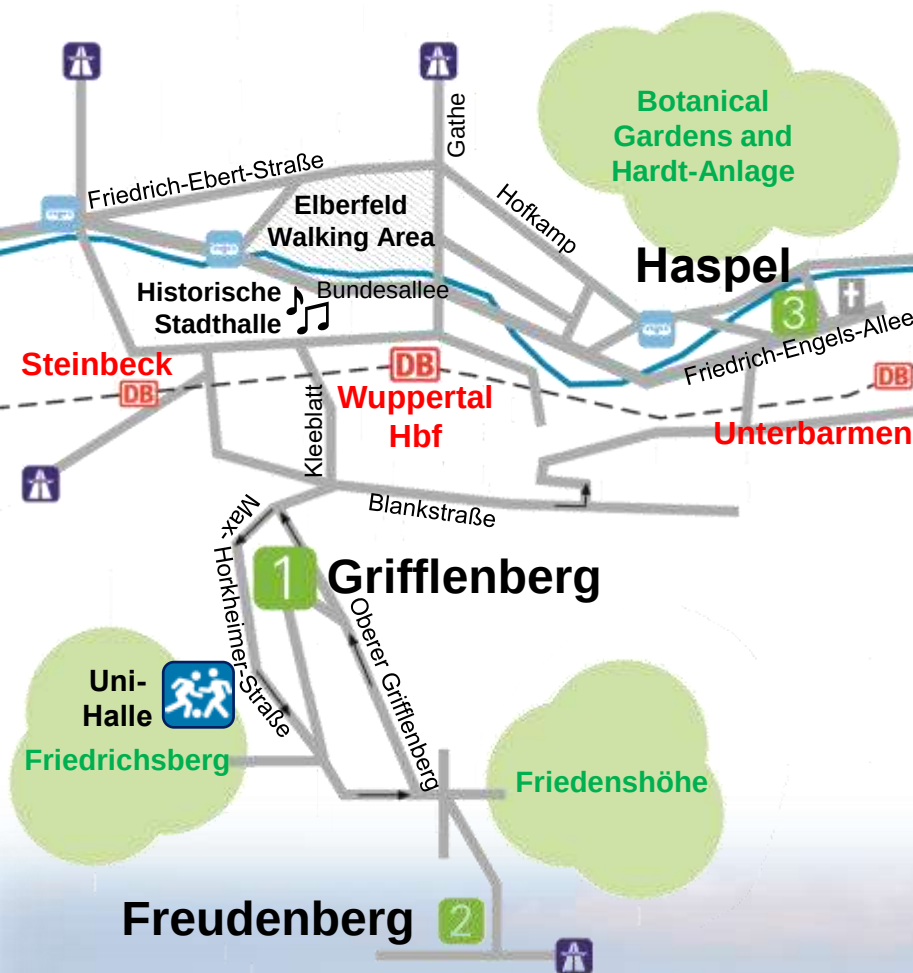

www.asta-wuppertal.de/semesterticket-faq/

TRANSPORT

University of Wuppertal: what, where, how

The University of Wuppertal (Bergische Universität Wuppertal, BUW) is research-oriented and offers a wide range of subjects. It is part of an international network consisting of more than 220 partner universities worldwide. These international partnerships not only foster student and teacher exchange, but also facilitate joint research projects. The BUW is a popular destination for international students, with more than 110 countries represented here. For all its international profile and connections, the university is firmly rooted in the region. As a result of its active knowledge transfer and intensive cooperation with numerous societal and business partners.

The University of Wuppertal is divided into 9 schools (faculties) and 3 campuses: main **Griffenberg** campus, as well as nearby **Freudenberg** campus and Campus **Haspel** in the city centre. **All of studies at SusChem are held at Griffenberg.**

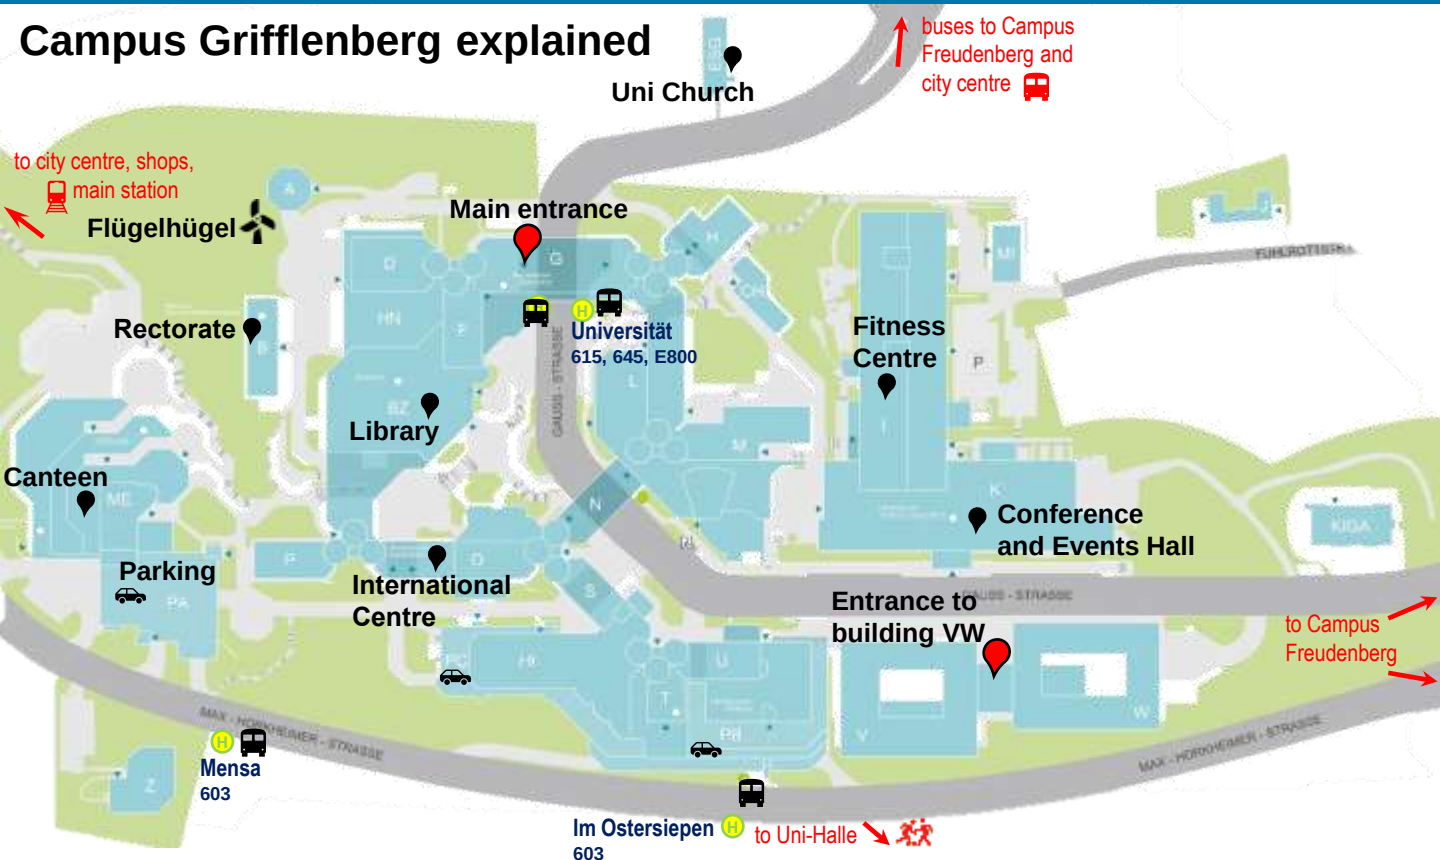

**MORE ABOUT
UNI LOCATIONS**
in German

BERGISCHE
UNIVERSITÄT
WUPPERTAL

University of Wuppertal: what, where, how

Campus Griffenberg explained

The complex of buildings at the main **Griffenberg** campus is located on the hill of the same name. The floors (Ebene) are numbered from the foot of the hill, not from the street level. That is why, for example, the main entrance is located on the 8th floor. The buildings are identified by letters, forming a chain of sections arranged mostly in alphabetical order in a clockwise direction. These sections are tied by connecting towers with halls and three elevator shafts/staircases.

FINDING ROOM

Room numbers follow this format: for example, **G.10.03**, where **G** is the building, **10** is the floor, and **03** is the room number. The SusChem office is located in Building V, room **V.11.086**. The abbreviation **HS** stands for Hörsaal (lecture hall). Note that Hörsaal numbers do not correspond to the standard room numbers; for example, HS07 is room G.10.05. **ME** stands for the Mensa (canteen). **K** denotes the Conference Centre, **B** the Rector's Office and Student Services, and **BZ** the Library.

Buildings on the Freudenberg Campus are identified by **two- or three-letter codes** beginning with F, while buildings on the Haspel Campus use **two-letter codes** beginning with H.

Where to live

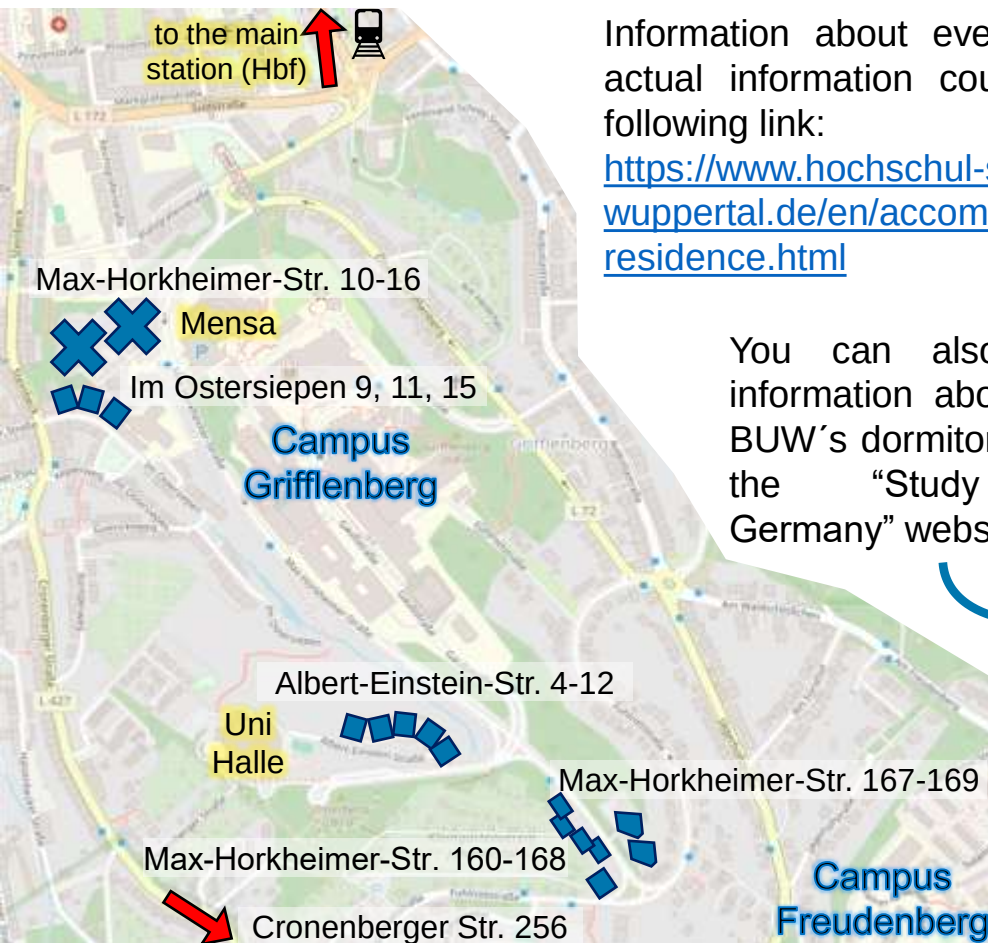

There are two accommodation options for the students of the University of Wuppertal: you can either apply for a place in the university's dormitory, or rent a flat in the city on your own.

The BUW offers the places in 7 university's dormitory complexes, or *Student halls of residence* (*Studentenwohnheime* in German). If you want to apply for a place in the dormitory, you need to do it **at the earliest 90 days before planned move-in** via online-registration:

<https://www.hochschul-sozialwerk-wuppertal.de/wohnen/wohnungssuche.html>

Information about every dormitory with all actual information could be found by the following link:

<https://www.hochschul-sozialwerk-wuppertal.de/en/accommodation/halls-of-residence.html>

You can also find information about the BUW's dormitories on the "Study in Germany" website

Study in
Germany
●●●●●●●●
Land of Ideas

> CLICK HERE TO
SEE THE LIST OF
THE POSSIBLE
ACCOMMODATION
OPTIONS <

IMPORTANT!

After finding an apartment, you **must register** at the Wuppertal city services **within 14 days**. Find out more information about the registration on the following webpage:

<https://www.uni-wuppertal.de/en/international/international-students/enrolment/residents-registration-office/-/foreign-citizens-office/>

According to the German law, foreigners with a student visa, are allowed to work up to 19 hours a week. The other possible solution is to apply for a scholarship. We have collected several useful links below, where you can find the actual and relatable information about the scholarship and funding:

Organizing the everyday life

READ & STUDY

The University Library of the BUW (Universitätsbibliothek Wuppertal) occupies the Building BZ of the Griffenberg campus. It offers all students, lecturers and visitors over 1.2 million print items and nearly 400.000 electronic resources.

Open hours of the Library:

Monday – Friday: 08:00 – 22:00

Saturday: 10:00 – 22:00

Sunday: 10:00 – 19:00

Website: <https://bib.uni-wuppertal.de/en/homepage/>

Databases: <https://ub-wuppertal.digibib.net/eres>

Library

There are over 600 reading rooms and spaces located on 3 floors, including places with PCs and workstations with Internet access, application software, and USB/DVD/CD-ROM capabilities. Except this, you can rent the group study rooms, also with noise reduction. Printing services are also available in the copy centre located on the 9th floor.

EAT & DRINK

There are 9 food places in the Uni, 6 of them are at Campus Griffenberg. Here you can find the information about all of them: <https://www.hochschul-sozialwerk-wuppertal.de/essen-und-trinken/mensen-und-cafeterien.html>

The actual menus are published in the Uni App ("Speisepläne" Section) or on

the following webpage: <https://www.hochschul-sozialwerk-wuppertal.de/essen-trinken/speiseplan.html>

You can buy snacks and drinks in the Uni Kiosk, which is located just inside the main entrance, on the right. There are also several spots in different campus buildings, where you can find the drinks and snacks in vending machines.

Note that only cashless payments are possible in several canteens; but if you need to withdraw some cash, there is an ATM at the main entrance (inside, on the left, behind SSC office).

GO SHOPPING

Supermarkets in Germany mostly opens Monday to Saturday from 8:00 to 21:00. In big cities (including Wuppertal) the round-a-clock supermarkets are located at the main railway station (however, these stores usually have higher prices and a limited choice).

SUPERMARKETS CLOSEST TO GRIFFLENBERG

REWE: Blankstraße 40. Monday-Saturday from 07:00 to 00:00 (Saturdays until 22:00)

PENNY: Steinbeck 68. Monday-Saturday from 07:00 to 22:00

Netto: Steinbeck 20. Monday-Saturday from 07:00 to 22:00

ALDI: Ronsdorfer Str. 2. Monday-Saturday from 07:00 to 21:00

REWE To Go: Main station's hall. Opened everyday, 24 hours

DOING SPORTS

The University of Wuppertal offers more than 70 sport sections, as well as services of the own fitness studio "BergWerk", located in the building I. To use the services of the BUW's sport facilities you need to buy the SportsCard admission ticket. After buying the SportsCard you can book the sport section that you are interested in.

More about sport sections is on the UniSport's website:

<https://unisport.uni-wuppertal.de/en>

You can book your participation in sports sections by the link: https://buchung.hochschulsport.uni-wuppertal.de/sportarten/aktueller_zeitraum/

The "Bergwerk" fitness studio works separately from UniSport's sections. You need to buy the special FitnessCard to visit the Bergwerk. More details on the website:

<https://unisport.uni-wuppertal.de/en/fitness-centre/>

We constantly update the SusChem Website, so you can always find the substantial information about the programme there:

<https://chemie.uni-wuppertal.de/en/studium/studiengaenge/sustainable-chemistry-bachelor/>

By logging in to the **International Student Guide** course in the Moodle, you can find more information about the university and its services, including the PowerPoint Presentation with the full overview: <https://moodle.uni-wuppertal.de/course/view.php?id=27453>

You can follow the School of Mathematics and Natural Sciences in Instagram, X, and LinkedIn. You can find more university's social media links on the page 17 of this guide.

It is also important to regularly check your university's e-mail. Later during your studies the postbox can be full and so you cannot receive mails. So, please, don't forget to clean the space.

Learning German and other languages

For international students enrolled in one of the University's taught degree programmes, the Language Learning Institute (SLI) offers courses of the German language at levels A1, A2 and B1, as vocational language course in the evening. The courses take place twice a week during the lecture period. It costs only 20 EUR per semester.

To learn more about „German in the Evening“ Course, visit the webpage:

<https://sli.uni-wuppertal.de/en/deutsch-als-fremdsprache/german-in-the-evening/>

To register for the course, please, proceed by the following link:

[https://buchung.sli.uni-](https://buchung.sli.uni-wuppertal.de/angebote/aktueller_zeitraum/German_in_the_Evening.html)

[wuppertal.de/angebote/aktueller_zeitraum/ German in the Evening.html](https://buchung.sli.uni-wuppertal.de/angebote/aktueller_zeitraum/German_in_the_Evening.html)

SLI also offers courses for 10 other languages: Arabic, Chinese, Dutch, English, French, Italian, Japanese, Russian, Spanish, and Swedish. It costs 15-20 EUR for course. To register, visit the website:

www.buchung.sli.uni-wuppertal.de/angebote/aktueller_zeitraum/

Study process

After the admission you got the email from IntSek with a to-do list for the enrolment. It includes getting **study visa** in German embassy, paying for the **insurance**, filling in the **registration sheet**, and sending all these documents via email to einschreibungen@uni-wuppertal.de. That is how you receive another e-mail with your **matriculation number** - the most important number that you will use everywhere. First of all, you need to pay the **semester fee of €358.05** (not later than 14 days after receiving the e-mail with matriculation number).

NOTE: The university does not provide the confirmation of documents receipt, confirmation of payment of the semester fee etc. It may take several days to be processed.

The enrolment is successful if you can download the Certificate of Enrolment in StudiLöwe ("Mein Studium" > "Studienservice" > "Bescheide") for the current winter semester. If you cannot download it, and you are already in Wuppertal, you can visit the Student Service Centre (SSC) to get the copy. If certificate is still unavailable AFTER 10 DAYS, please, send the e-mail to IntSek with the bank statement / transaction details from online banking showing the IBAN, the account holder's name and the value date.

Student Service Center (SSC)

Place: building G, main entrance

Open hours:

IC: Mon+Thu 09:00-12:00

IntSek: Tue+Fri 09:00-12:00

ZPA: Mon-Thu 09:00-15:00
Fri 09:00-13:00

<https://www.uni-wuppertal.de/en/ssc/>

ZIM account LINK

ZIM is the university's IT user support department. You received an e-mail with your ZIM account credentials together with the matriculation number. Activate your ZIM account as soon as possible. This is initial to set up your university e-mail address and to access StudiLöwe and Moodle.

LINK

StudiLöwe is the official course directory. To get information about courses, select "Studienangebot" in the menu on the left. All SusChem courses are listed under the section *Vorlesungsverzeichnis anzeigen*.

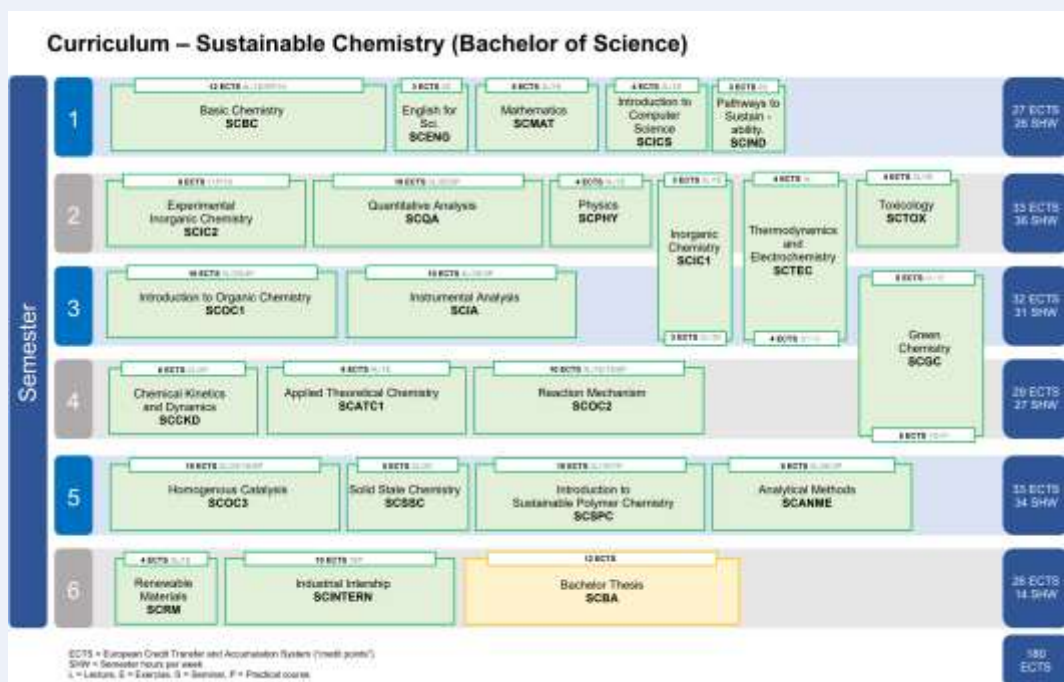

Moodle LINK

Moodle is an online platform with study rooms for single courses, project, and exercises. **BE AWARE:** You have to register through Moodle for most of your courses. Using Moodle your lecturers and tutors inform about latest updates on the classes, exam dates or any course relevant information.

Study process

The Bachelor's programme in *Sustainable Chemistry* is led by professors and experienced researchers in chemistry, as well as industrial scientists and specialists in toxicology. We incorporate problem-based learning sessions to enhance your scientific skills.

The programme consists of 22 mandatory courses (in total 158 ECTS) as well as an industrial internship (10 ECTS) and the bachelor thesis (12 ECTS).

You can also find the whole curriculum here: https://chemie.uni-wuppertal.de/fileadmin/chemie/images/Studium/SusChem/Curriculum-SusChem_V2.pdf

For your convenience, we publish and regularly update the **Timetables** on our website.

Alternatively, you can find the paper version on the information board near School's International Office (F.10.05)

You can find the timetable for the first semester 2026/2027, including all classrooms and lecturers, here:

<https://uni-w.de/r9che>

USEFUL HINTS:

- Consider attending classes as mandatory
- Be on time, communicate responsibly & respectful
- Study continuously throughout the semester
- Check StudiLÖwe for Moodle links
- Do not remove the facilities of the computer labs

BERGISCHE
UNIVERSITÄT
WUPPERTAL

How to start the first semester successfully?

You can find plenty of helpful information and practical tips for getting started on our First-Year Students page:

<https://chemie.uni-wuppertal.de/en/studies/information-for-student/first-semester/>

There, you will also find the schedule for Orientation Week (12–16 October), organised by the student council for all first-semester students – a great opportunity to get to know the university and meet your fellow students.

Before the beginning of semester Dr. Kathrin Plitzko and Dmytro Potikha will organize the Welcome Meeting for SusChem students. All new students are invited on **Friday, October 9th, 2026 at 10:00 in the room VW.12.001**

SEE YOU THERE!

Discover our *Chemiebaukasten*!

Are you looking for a quiet place to concentrate fully on your chemistry tasks? Then the *Chemiebaukasten* is just right for you! You'll find a study room every week where you can meet up to study and exchange ideas. There are also tutors on site who can help you with anything you need. More Information:

<https://chemie.uni-wuppertal.de/en/studies/information-for-student/chemistry-construction-kit/>

EXAMINATIONS

For most exams you need to register via **Moodle**. There is one exam (**SCIC1** in the 2nd semester) that is **limited to 3 attempts**. The registration goes via **StudiLöwe**.

Note: Read the examination regulations in English on the webpage: https://chemie.uni-wuppertal.de/fileadmin/chemie/images/Studium/Erstis/PO_SusChem_EN.pdf

Note: You need 140 ECTS of completed modules (including passing of BChGC, BChAC1, BChAC2, BChOC1, BChOC2, BChAn1, BChPC1, BChPC2 and BChSC) to register for the Bachelor's Thesis.

ORGANISATIONAL MATTERS

If you cannot attend the exam because of **illness**, please, register your case no later than the day of missed exam, following the instruction on the website: www.zpa.uni-wuppertal.de/fileadmin/zpa/Allgemeine_Formulare/Attest_Upload_Englisch.pdf.

Residence Permit: you need to contact the Foreigners' Office (*Ausländerbehörde*) regarding this matter. The only time when the university is involved is when you need the prolongation. In this case, please, contact Mr. Dmytro Potikha per e-mail (potikha@uni-wuppertal.de).

If you live in the student's hall of residence, you can contact **dormitory tutors**. They can inform about cultural events and parties, and also help with Internet and IT matters.

Pre-arrival online-sessions: August – October 2026

(all time is German/Central European, UTC +2)
